## PROFESSIONAL EXPERIENCE

**Gerando Falcões (Brazilian NGO)**, São Paulo, Brazil, May 2017-July 2017

*Efficiency Management & Public Relations Intern*

- Compiled data from all the organization’s community support programs and developed charts and graphs in order to better assess which programs were fulfilling the organization’s yearly goals and quotas
- Helped the organization evaluate which programs and program coordinators were working efficiently and which ones were not
- Worked through Adobe Illustrator to create flowcharts and infographics to illustrate the organization’s sponsorship programs and revenue generating system

What I learned: How to work in cooperation with groups. How to evaluate data. How to manage my time efficiently. The ins and outs of non-profits. How to work with disadvantaged kids in a disadvantaged community. How to evaluate and provide feedback on projects.

**Centro de Informações Sobre Saúde e Álcool** (Center on Information of Alcohol and Health), São Paulo, Brazil, June 2015-July 2015

*Public Relations & Translation Intern*

- Translated public & private policy on Alcohol from English to Portuguese.
- Organized and catalogued center’s files.
- Worked on designing social media advertisements for the Center’s social media
- Managed the Center’s social media.

What I learned: How to read through tedious amounts of material. How to make effective translations. How to effectively promote information through social mediums.

**Fundação Lemann**, São Paulo, Brazil, July 2014-August 2014

- Worked on a month-long project to the organization on the structure and function of CAPES (an organization that’s part of the Brazilian Ministry of Education)
- Took part in managing and organizing seminars for the formation of primary school teachers in public education.

What I learned: How to carry out research pooling from a wide-range of studies.
